Dare 2 Share LIVE: Sparking a Gospel Movement

Since its inception, Dare 2 Share has been committed to training and mobilizing young people to share their faith. The 2024 Dare 2 Share LIVE event registration numbers are set to surpass all previous years. As Dare 2 Share President, Debbie Bresina, remarked, "We are witnessing a movement of young people rising up to take the Gospel to their world. Technology is allowing us to unite these students in ways never before possible, and this event is just the beginning of what we believe will be a global awakening."

The momentum leading up to Dare 2 Share LIVE 2024 reflects a growing hunger among young people to take ownership of their faith and make a tangible impact in their communities. With weeks still left for groups to register, the numbers are expected to climb even higher, creating the potential for this to be the most impactful Dare 2 Share event yet.
