

# How to get your students praying

**In ministry, what do you find yourself most desperate for?**

- 1. Attendance to increase**
- 2. The lost to be saved**
- 3. Students growing in their walk**
- 4. The program to be successful**
- 5. Workers to join you**

The early church faced pressure, and so do you.

Pressure to conform → Desperation for Christ

Pressure to internalize → Unswerving resolve to reach

Pressure to abandon → Boldness of the Holy Spirit

Students must be desperate for the right things.

- Gospel urgency is KEY.

*A leader wanting to get students praying must focus on the “It does...” over the “It doesn’t...”*
