

# How to Train Your Students for Relational Evangelism

What does your ministry need to work on most?

- a. **Come & See** (Share the Gospel every week)
  - b. **Go & Get** (Create an invite/mission culture to & through students)
  - c. **Train & Send** (Prep your students to share, and send them out weekly to do it)
- 
- **Gospel Urgency**  
*When He saw the crowds, He had compassion on them, because they were harassed and helpless, like sheep without a shepherd. Then He said to His disciples, "The harvest is plentiful but the workers are few." Matthew 9:36-37*
  
  - **Gospel Fluency**  
*For what I received I passed on to you as of first importance: that Christ died for our sins according to the Scriptures, that He was buried, that He was raised on the third day according to the Scriptures, 1 Corinthians 15:3-4*
  
  - **Gospel Strategy**  
*When Paul and his companions had passed through Amphipolis and Apollonia, they came to Thessalonica, where there was a Jewish synagogue. As was his custom, Paul went into the synagogue, and on three Sabbath days he reasoned with them from the Scriptures, Acts 17:1-2*

## Ask

Our goal is to find out what the person believes spiritually.

## Admire

When you have asked enough questions that you find something to admire, go for it.

## Admit

Share that you couldn't save yourself, and let this lead into the Gospel and your testimony.

Practice!
